RESOLUTION_DATE	COMMENTS
	I received a complaint of smoke and odor by Clark Frasier through Chris Woodruff of the DEP land licensing section. I investigated on 9/12 and was able to do an official Method 9 which passed following some process and control changes. Forwarded a letter
12-Sep-13	In previous complaints, the complainant had remained anonymous, leaving no contact information and not calling to learn the results of the investigation. This time, the complainant did leave contact information, and I arranged a meeting between him and t
12-Sep-13	In previous complaints, the complainant had remained anonymous, leaving no contact information and not calling to learn the results of the investigation. This time, the complainant did leave contact information, and I arranged a meeting between him and t
19-Sep-13	complaint against Sharon Park and her tenant Dana Genther. Small recreational campfires. Only evidence of wood being burned. Complainant claimed chemicals beign added to fire that were poisoning him.
27-Sep-13	
22-Oct-13	Mrs. Cayouette agreed to watch smoke coming from the outdoor wood boiler more closely and make adjustments to the unit. The complainant accepted this promise of improved oversight.
22-Nov-13	
05-Dec-13	Repeat of idling locomotive complaint received in 2011. Agreed with complainant to send email to MCRR contact in Fairfield requesting help in getting unit moved to a new location.

23-Dec-13	Complaint bothered by smoke and odor from neighbor's garage stove. During investigation, Mr. Moody showed me the stove and fuel. No trash, just green wood and paper as a starter. Green wood was the source of the problem. Complainant satisfied with this
23-Dec-13	Complaint bothered by smoke and odor from neighbor's garage stove. During investigation, Mr. Moody showed me the stove and fuel. No trash, just green wood and paper as a starter. Green wood was the source of the problem. Complainant satisfied with this
23-Dec-13	Complainant affected by fumes from idling trucks on neighbors property. I performed a visible emissions evaluation of the one of Mr. Dion's trucks parked at his house under DEP Chapter 146. No violation of the opacity standard found; vehicle quickly war
31-Dec-13	Complaint by neighbor about smoke coming from an OWB. Field investigation revealed insufficient stack height by DEP Chapter 150. Letter sent to OWB operator requesting increase in stack height within 30 days. BAQ management decides against sending LOW.
	An anonymous complaint was made against the owners of an OWB at 95 Lower Cross Road. I investigated and feel the complaint is unfounded (see files).
	Toby received a complaint of dust coming from sand blasting fuel tanks at the Pit Stop Fuels in Casco. I contacted the CEO who investigated and found no evidence of carryover dust from the activity. I phoned the Pit Stop Fuels contact and offered that I
	EPA received a complaint on 8/24/13 from a resident in York complaining about their neighbor's indoor wood stove. EPA relayed the complaint to us. I responded on 9/6/13 and spoke to the complainant. She relayed that the smopke constantly comes into her
	Greg Obrien gave me a complaint he received from the harbor master concerning boiler ash from FPLE. I spoke to Mark Grover of FPLE who said he would contact the complainant.
	I received a call from Patti Austin who is concerned about the health effects of breathing smoke and odors from her neighbor's indoor wood stove. She has offered to pay for an increase in stack height or a catalytic converter. She isn't having much luck
	Mr. Tanouf called to complain about his neighbor burning pressure treated wood in a wood stove. I left him a message to call me.

16-May-14	Owner of Mung Bean complained of smoke and odor coming from the wood fired grill of Mine Oyster Restaurant. I agreed to make a Method 9 observation for the town and the complainant when the restaurant began operating for the season. No request for furth
28-May-14	Anonymous complainant complained of trash burning in an OWB. Field investigation revealed nothing improper in the use of the unit. Because the heating season was over, I informed the operator I would resume the investigation in the fall as needed.
29-May-14	Homeowner getting a strong chemical odor. I suggested Auburn Manufacturing might be the source. Period of odor also coincided with weekly maintenance. I placed the complainant and the plant in contact to handle future incidents.
02-Jun-14	Complainant complaining about excessive dust from town road work. I requested the town office to apply more dust control to the work.
09-Jun-14	Complainant complaining about strong mill odors. Scott Reid of Rumford Paper investigated the incidents internally and arrived at the probable cause, a malfunctioning flame arrestor. Tech. information given to complainant.
03-Jun-14	Complaint about excessive dust from local road work. I spoke with the town office to seek added dust controls on the work.
25-Jun-14	Complainant bothered by smoke and wishes prospective owners of the OWB operator's house to be advised to control smoke. My field investigation revealed no violations of Chapter 150. The OWB operator agreed to give requested information to new owners. T
11-Jun-14	BGS crew was sweeping parking lot at Office of Maine Care on State St. An abutting homeowner was getting dust on his property and car. By the time I arrived, Maine Care had already reported the incident to BGS. No further action required.
20-Jun-14	Complaint from the same Leeds complainant about the same road work. I sent an email to my previously established contact in the town office on the matter. I received a return call from the head of Leeds public works dept. expressing his interest in work
	I received a complaint of dust coming from a building demolition project. I returned the call and referred the complainant to the town, but offered to help if she didn't get help locally.
